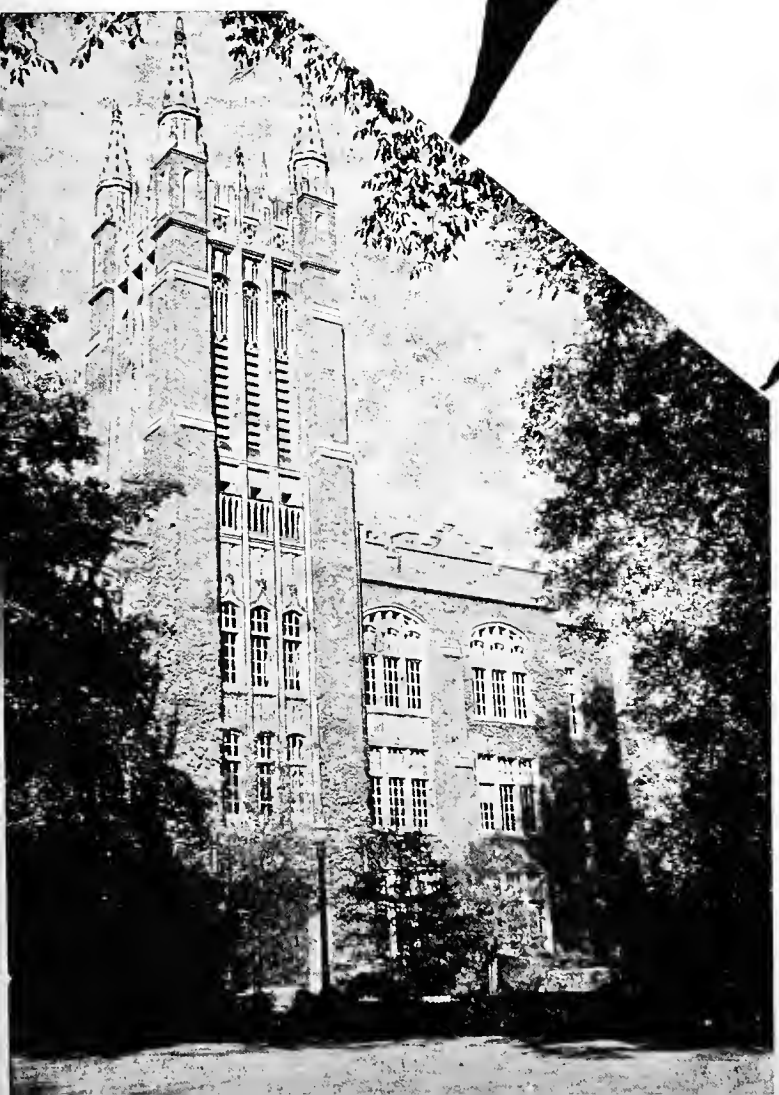
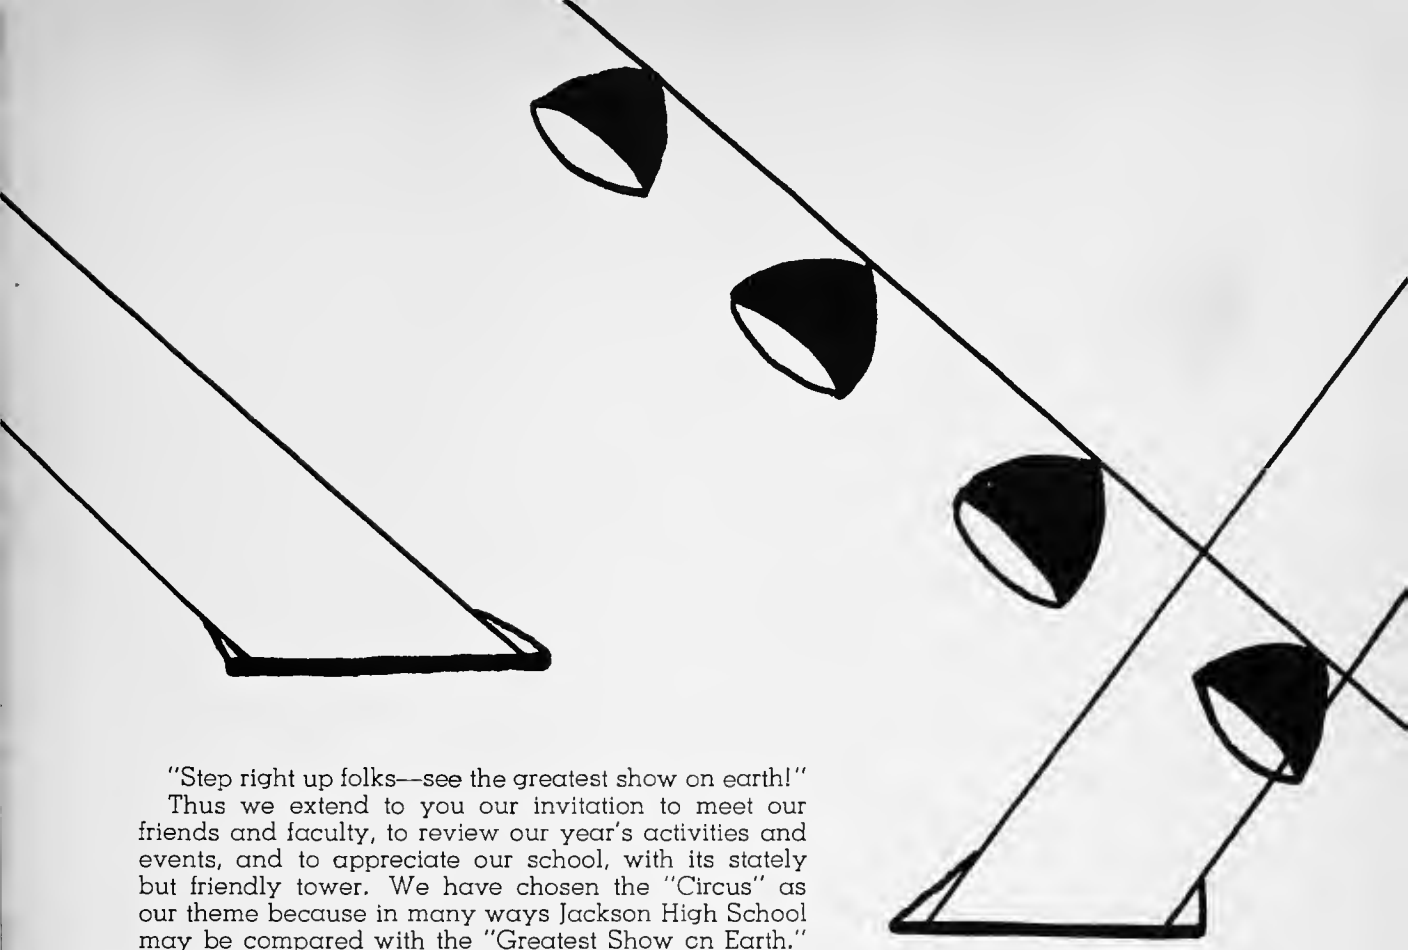
Volume sixty-seven
June, 1953

Our Jackson High School—for three short, full years — has been the scene of our education and friendships.



The tower of Jackson High School is the recognized symbol of the high ideals through which we should strive to attain our ultimate goal in the years to come.



"Step right up folks—see the greatest show on earth!"

Thus we extend to you our invitation to meet our friends and faculty, to review our year's activities and events, and to appreciate our school, with its stately but friendly tower. We have chosen the "Circus" as our theme because in many ways Jackson High School may be compared with the "Greatest Show on Earth." Our school is made up of many separate parts, but each individual has his own role to play; thus contributing to the ultimate success and enjoyment of the performance as a whole. The students of Jackson High School have rehearsed, played their parts, and now have come to the end of another season.

Proudly we give to you our Seniors, who in this production are playing the starring roles. Our Juniors and Sophomores are presented to you as their supporting cast, and our performance has been made possible by the able direction and management of our faculty.

So "Step right up folks—take one last look under the big top" and see our final performance for 1953.

To Donald Dutcher:

The students of Jackson High School are indeed fortunate to have such an individual as you. Your fine sense of humor, school spirit, and advice have been greatly appreciated by all who know you. Even those of us who have been "caught skipping" by you realize that that's your job and that we were beaten by a "better man!" The boys on your golf teams admire you as a good sport and a fair coach and we, who have worked with you, respect your good judgment. It is with all these qualities in mind that we, the yearbook staff of Jackson High School, dedicate to you, Mr. Dutcher, our 1953 Reflector Annual as thanks for so many jobs well done.

ROY RANDALL

Through Mr. Randall's twenty years as adviser for the Reflector Annual and as a teacher of mechanical drawing and printing, his kindly patience and quiet manner earned for him the respect of all who knew him.

IN REMEMBRANCE

JASPER J. HIEFTJE

No greater tribute can be paid to Mr. Hieftje than to say that he was not only a fine teacher, but a sincere friend to all of his students.

The Board of Education, left to right, Dr. W. N. Atkinson, superintendent; C. A. Boos; M. C. Rubert; Mrs. J. R. Firth, secretary; D. W. Kendall, president; W. B. Nichols, vice president; C. D. Malloch; R. W. Rice; Mrs. F. V. Patch; and E. M. Gage, treasurer.

CIRCUS MANAGERS

Our friends . . . Royal F. Dressel, B.A., M.A., assistant principal; and W. Earl Holman, B.A., M.A., principal.

During the three years we attend Jackson High School, all of us at one time or another come in contact with the very personal interest Mr. Holman takes in each of his students. Whether he is talking to a large group of students, or just saying, "Hi," to us in the halls, we know that he is our friend. His spirit of friendly cheerfulness and unfailing co-operation should long be an example for all of us to follow.

Every student knows Mr. Dressel, either through Student Government, a personal problem, or as a friend and teacher. He is the adviser in Student Representative and Student Council and it is his opinions and ideas which help to make our Student Government run smoothly. His quiet manner and efficient capability earn the respect of all the students.

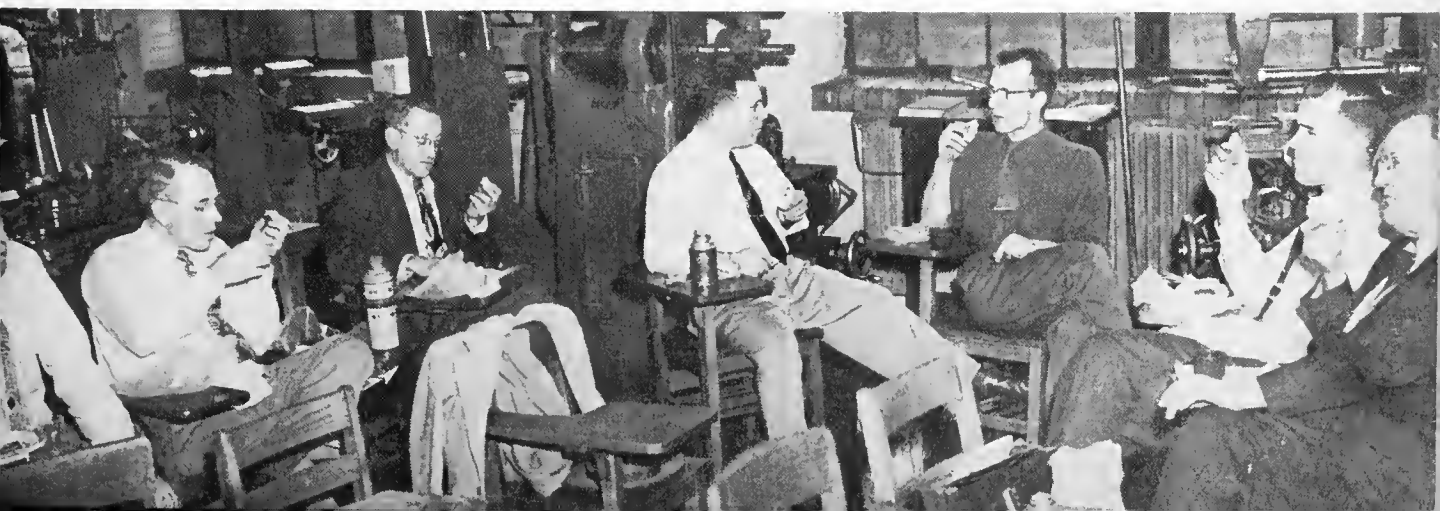
Reflector Annual Adviser

The "Luncheon Club" daily discusses weighty problems.



In Memoriam

When Jackson students reminisce about high school days, there is one teacher who will be remembered by all who knew him. Charles Blair, a wonderful person who passed away last fall, was a man devoted to his work—teaching Jackson High School boys and girls biology and guiding and instructing them in his favorite hobby, photography. His devotion to his work is illustrated in the fact that for many years Mr. Blair was active in the Audubon Society and served as staff photographer for the Reflector Annual and Bi-Weekly. Words cannot express our sorrow over losing such a good friend, and Jackson High is better, in many ways, because of Charles H. Blair.

At 8:00 A.M. the campus becomes alive with seniors hurrying to school.

Homeroom 225 is the daily scene of important senior business.

A SENIOR'S DAY AT J. H. S.

Six lovely ladies . . . and which one will be vice-president of the 12A semester?

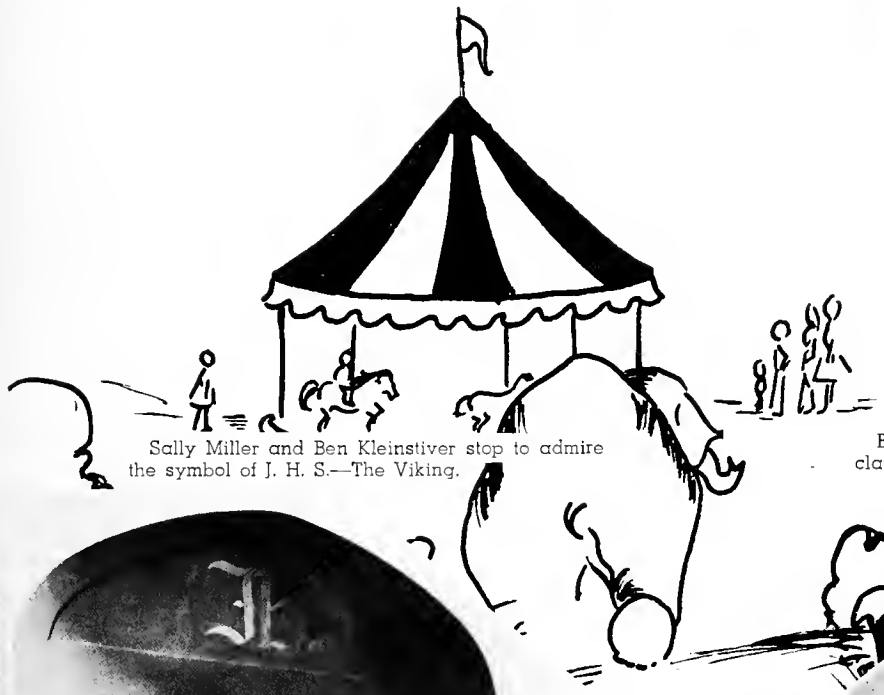
Industrious hall guides? Oh, well, they're important seniors!

Who can ever forget Mr. Cargo's physics class . . . or College English and Miss Pitts' idio-syncrasies?

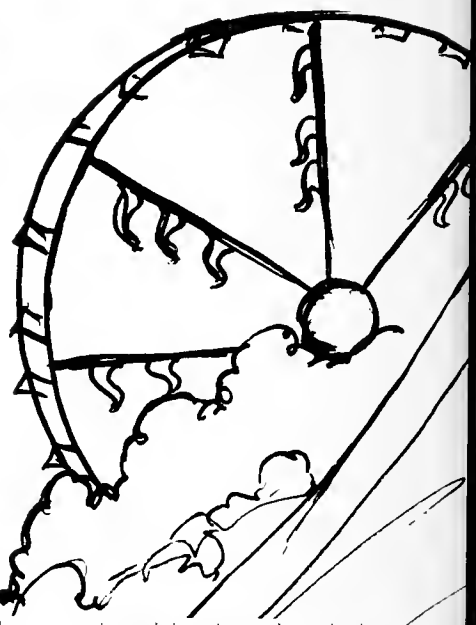
"Jackson 63—Kalamazoo 42" is seen in the exuberant expressions of these seniors as they happily end a typical day at Jackson High School.

At noon, seniors gather in the boys gym to discuss "the latest" . . . and at 3:45 they hurry home to get ready for the big game that night.

Another semester ends as Pat Smith and Charles Malloch step aside for Bill Eagan and Ann Connin to lead Jackson High.



Sally Miller and Ben Kleinstiver stop to admire the symbol of J. H. S.—The Viking.



Bob Ford pauses to point out an important clause in the Constitution to some fellow students.

Student Government

"The Ringmasters"

CHARLES MALLOCH

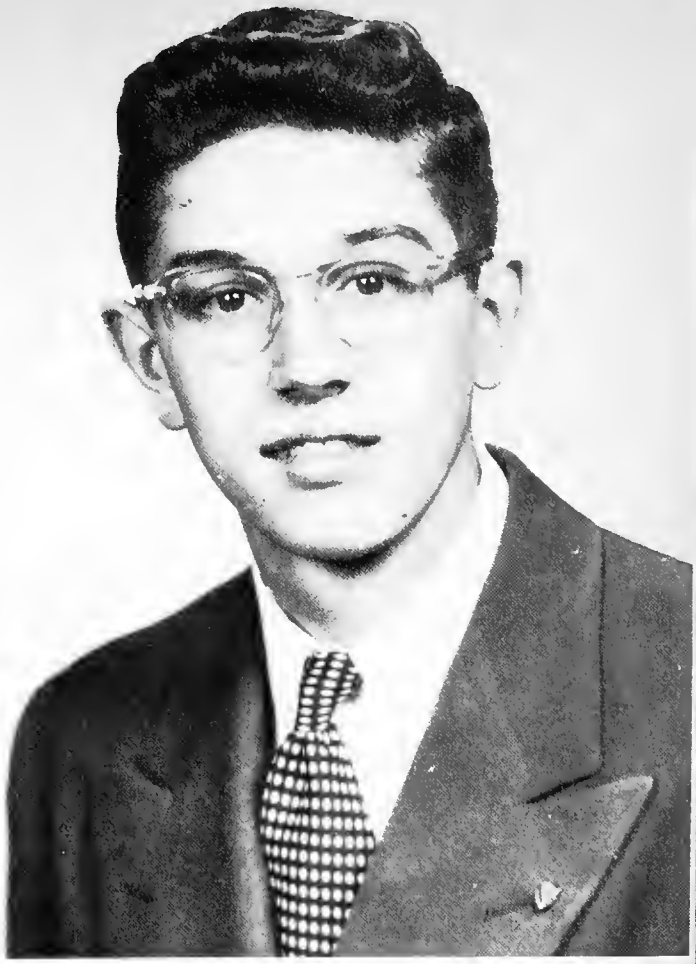
Sincerity, hard work, scholarship, and leadership all combined to make Charles Malloch's presidency a credit to Jackson High School. His accomplishments were many. Among them were his able presentation of our school government to our parents on our Twenty-Fifth Anniversary Open House, his competent guidance as leader of the delegation to the 5A conference, and his efforts and influence which resulted in the purchase of a new American flag for the memorial case. He also did much to try to bring student government closer to all of the student body and contributed greatly to the success of the Viking Assembly. We owe our gratitude to Charles. The semester under his presidency will be remembered for its smoothness and efficiency.

PAT SMITH

Pat Smith will be remembered by the students of Jackson High School for her many achievements while serving as vice-president. Most important was the organization of the new Hostess Committee. The purpose of this committee is to serve at all school functions and to help the new students get acquainted with the school. And don't we all remember the fun we had during the first semester at the all school dances: "The Football Caper," "The Dance Band Swing," "The All Sports Party," and "The Autumn Nocturne." They were all made possible through the combined efforts of Pat Smith and her social committee. More than these accomplishments, however, Pat will be remembered by all for her friendliness and school spirit.

BILL EAGAN

Under the leadership of Bill Eagan, president of the student body for the second semester, we all took part in the important magazine campaign for the year. Our success may well be attributed to the fine leadership of Bill. Besides representing our school in many outside functions, he helped plan the pep meetings, and guided student government in a competent manner. Bill's quiet and friendly spirit of cooperation seemed to create a fine spirit throughout the entire school.



ANN CONNIN

"Peppy" and "friendly" describe the perky red-head who was our Vice President for the second semester. Under Ann's guidance the girls in Hostess Club participated in the all important Vocational Guidance Clinic at Jackson High School, as well as serving for the Seniors Baccalaureate Service in June. Ann was also chairman of the Social Committee which planned and organized our all school parties. The big party of the season was the Victory party after we "Popped the Top" in the magazine campaign. Everyone had a wonderful time dancing, swimming, playing ping-pong, and volleyball. All of us agree that Ann did a fine job in representing our school.

STUDENT COUNCILS

Student Representative Assembly which meets on Tuesdays, during homeroom period, is made up of one student from each homeroom. The president and vice president of the Student Body are automatically officers of the Student Assembly and Student Council, while the secretary and treasurer are elected from the assembly at large. Tenth and eleventh graders choose two students to represent them on the Student Council and the 12th grade has one representative. One member of Student Council is elected secretary and the other members are chairman of one of the following committees: Social Service, Social, Publicity, Special, and Building and Grounds. Each student of the assembly is a member of one of these committees.

During the year these committees have directed the Viking Giving, contributed money to the Navajo Indians, worked on car registration, studied parking lot problems, discussed a student traffic court, corresponded with different class A schools, sent representatives to the 5A Conference at Battle Creek, directed the Magazine Campaign, and the all sports banquet. All of these students working together and sharing their ideas helped to make our school one of the most outstanding in school spirit and cooperation in the state.

ANNUAL

"Where's that copy? When's the next deadline? Where are those pre-screens?" These familiar questions rang forth from room 151 every day during the 7th hour when the Reflector Annual Staff met to produce the 1953 yearbook. Under the able direction of Joseph Zaccardelli, the staff worked many long and extra hours to edit an annual that the students could be proud of.

"Under the Big Top" was chosen as the theme early in the fall, and work was begun immediately to present life at Jackson High School as it was lived and enjoyed during the school year of 1952 and 1953. The inclusion of underclassmen's pictures greatly increased interest in the Reflector, as did various other improvements made in the book.

As a member of the National Scholastic Press Association and Quill and Scroll Society, the Reflector Annual receives ratings every year and the staff worked diligently to better the "B" rating that the 1952 annual was awarded. Finally, in April, the last pages went to press and the staffs started planning the Reflector for next year.

Busy checking copy and cropping pictures are Nan Yeakey, Kaye Hamlin, Nan Furman, and Doug Bisbee.

Inspecting pictures and layouts are Sondra Clarke, Dianne Chesley, Dianne Gildersleeve, Betty Bartlett, and Don Bisbee.

BI-WEEKLY

The students on the staff of the Reflector Bi-Weekly did an excellent job in reporting to us our own truly personal news. Giving us a full account of all the activities in the school the Bi-Weekly views different problems that face our students and presents pictures of sports events and government happenings. The Reflector Bi-Weekly is a member of the Quill and Scroll, the National Scholastic Press Association. As a member of these organizations the paper always receives high ratings. In the fall of the year the members of the staff traveled to Michigan State College for Journalism Day where they heard speakers talk on different phases of the problems involved in the publishing of a high school newspaper.

ORCHESTRA

Led by three majorettes and one drum major these energetic band members marched at all the home football games, at the U. of M. Band Day, in the "Ike Parade," Fire Prevention Parade, and the Memorial Day Parade. Besides these activities they participated in two concerts, one in January and the other in May, which helped pay their expenses to Interlochen for one week in August. Here they joined other schools for instruction and recreation.

All of us at one time or another have seen the Varsity Marching Band of J. H. S. and we all agree that it is one of the finest high school bands.

After school or at noon many of us have walked by room 155 and have heard different sections of the orchestra practicing for one of their numerous engagements. Besides participating in a concert with the band, playing for the all school plays, and Viking Assemblies, and the splendid children's concert for elementary school students, the orchestra takes part in many other school events.

During the summer the students in orchestra spend a week at Interlochen for musical training and recreation.

The entire school enjoys the orchestra and appreciates the fine leadership of Mr. Shoemaker.

DANCE BAND

As the decorations go up and the chairs are assembled, you can hear our dance band tuning up their instruments after many of the basketball and football games. With the downbeat given, David Wilkinson leads the band in their theme song, "Take It, Jackson," or any other popular song that may be requested. We, at Jackson High School feel very fortunate in having such a fine co-operative band to play at our all-school parties and "Viking Assemblies."

Beside singing for many of our school assemblies, these busy students have sung for the Teacher's Club, the Kiwanis Party, the Consumers Party, the City Engineers Christmas Party, and the American Association of University Women, during this school year. This club made up of eight boys and eight girls studied and practiced the Choral Style of the 16th Century Secular Songs, under the direction of Mr. Cripps. Also they had the annual reunion for the previous members of this accomplished group.

MEISTERSINGERS

The meistersingers, a specialized male chorus ensemble under the direction of Mr. Cripps, have entertained us with their singing in many school assemblies. Also they have performed for local groups such as the Lion's Club, the Womans Club, City Employees Party, and The Greater Jackson Association. Together with many of the other vocal groups in Jackson High School they participated in the District Vocal Festival.

Troubadours are a group of boys who perform for many community and school activities. These boys have sung for the High Twelve Club, East and West Intermediate, JLOT concert, and in the District Vocal Festival. Under the sponsorship of Mr. Cripps, they brought much pleasure to all who heard them sing.

EUPHONY

Euphony, our noted mixed choir of 92 students, strives to give to others through their melodious art, choral music composed from the 15th to the 20th century. Outstanding appearances in their busy season were the Christmas Concert at the National Bank of Jackson, the concert at East Jackson High School, the District Choral Festival in March, singing the Chorales with the U. of M., presentation of St. Matthew Passion at Ann Arbor which also took place in March, and their concert with the Varsity Band in May. The Annual Reunion of the previous members is always one of the highlights of the year. All of us may take pride in our excellent mixed choir, who in their attractive robes so ably represent our school in the field of music.

The Jenny Lind Chorus is a group of girls under the supervision of George V. Cripps, who are trained in vocal and choral techniques. They present concerts and programs for the interest in Vocal-Choral Music. DRAMATICS

Jackson High School is certainly fortunate to have such a fine speech department. The dramatics division, under the professional direction of Maurice Fall, is one of the finest in the state. Evidence of this is seen throughout the year in the production of plays, Viking Assemblies, puppet shows, and the other events staged through the efforts of the dramatics group.

The first semester play, "Our Miss Brooks," was a great success, as two casts played to appreciative audiences. During the second semester, Mr. Fall directed two plays, "Nine Girls" and "Annie Get Your Gun," which were both tremendous successes.

Working in cooperation with Student Government the dramatics department also has a big hand in making the Viking Assemblies the grand productions they always are.

The student body of Jackson High School and the entire community of Jackson should be proud and grateful for the fine entertainment put on by the dramatic classes of Jackson High School.

Without the stage craft classes, the plays, Viking Assemblies, Magazine Assemblies, would be very dull presentations. The fabulous settings made by this group, under the supervision of Mr. Fall, compliment the fine acting of the Viking players.

Many hours of class time and after school work are devoted to painting flaps, stage furniture, and props; figuring out exotic lighting effects; searching for properties; and keeping the stage in tip-top condition. Who will ever forget the amazing transformation of the dreary stage into a fabulous old barn theater for the first semester Viking assembly? And the "television set" that was made for the Magazine Assembly certainly had us all bewitched!

Although the audience sees only the finished product, the stage craft classes deserve much credit for the fine productions of the drama department.

DEBATE

Mr. Fall faced the debate season with a completely inexperienced varsity team, composed of Renee Blanchet and Loy Parker on the affirmative, and Sally Miller and Dennis Zartman on the negative, who completed the season with a record Jackson High can be proud of. They won eight out of ten debates in the Michigan Forensics League and they finished third in the Five-A League, thus qualifying for the district tournament. A split decision against the affirmative ended the debate season of 1952-53, during which the question was "Resolved: that the NATO form a federal union".

Under the supervision of Miss Pitts, this club was reorganized the first semester of the year. Students, in the study of art, dance, literature, and music, joined together in a group to present various programs and to discuss their views of different topics.

An organization that Jackson High School has needed for many years was finally organized this year—a committee of girls who serve as hostesses, ushers, and general "good will promoters" at school functions, and who make new students feel "at home." The Hostess Committee functions as a part of Student Government and membership is determined by home room recommendations based on co-operation, friendliness, and willingness to work. Miss Coolidge the school vice presidents, and the charter members worked hard to establish the Hostess Committee as an important part of Jackson High School.

NETS AND SETS

Tennis is fast becoming a popular spring sport at Jackson High School. Much of this popularity can be attributed to the successful season record compiled by the 1952 squad. This squad, headed by Jurgen Diekmann, the exchange student from Germany, who also went on to be runner-up in the State Class A Singles Tournament, was made up of Tom James, No. 2; Duane Arnold, No. 3; Fred Sill, No. 4; and Dave Pemberton, No. 5. Paired as the doubles teams were Andy Hall and Bill Johnson, No. 1, and Dave Stauff and Lionel Wilson, No. 2. Coach Dennis Kiley's 1952 tennis team was one of which Jackson High can be proud.

ON THE CINDER TRAIL

The 1952 track team, lining up against Battle Creek for the first meet of the year, featured Dale Griffin and Jim Hinkle in the Viking victory. Bidding for an undefeated season, the team stumbled on the final hurdle by losing to Kalamazoo. Although they lost, Dale Griffin set a new record of 20.8 seconds for the 80-yard dash and Jim Hinkle set a pole vault record of 11 feet 3¼ inches. By taking second place in the 5-A regional meet our relay team and six other boys qualified for the state meet—a fine record for Coach Jensen's team.

HITS AND

Coach Walterhouse sent his Jackson nine against Hillsdale for the first game of the season. Led by co-captains Buzzy Newton and Bob Kiple, the Vikings edged out Hillsdale in the eighth inning 5 to 4. Playing all the neighboring 5A schools, the team won only one game, but they did not lack spirit or courage. One of the most exciting games of the season was played against Ypsilanti, which the Vikings lost in the sixth inning. Don Mick, Rex Youse, and Malcolm Mohr led the pitchers, while Wayne Kimmel was the leading batter. Last year's team may not have made a very impressive record, but through their mistakes they have gained experience which they will benefit by next year.

The reserve team did not play competitive baseball during the season. Instead they played teams among their own squad to help develop players for the next season and the varsity team.

FAIRWAY FEATS

Coach Don Dutcher's 1952 golf team, led by Dick Fierstine, was a comparatively green team with few returning lettermen. Nevertheless the team witnessed a very successful season. Sharing in a three-way tie with Ann Arbor and Sexton for the 5-A League Championship can be attributed to the fine play of Dick Fierstine, George Hoaglin, Jack Wilson, Jim Moore, and Bob Ford, who were the outstanding players of the season.

PIGSKIN REVIEW

After the exciting game with Traverse City, all Jackson High School was anticipating a successful football season for 1952. Hopes were high as Bob Mitchell and Jim Hinkle, the co-captains for the Vikings, led their teammates in 5A League competition; but once again the strong teams of the opponents proved to be too much for Jackson. Nevertheless the boys practiced loyally every night and the student body backed them wholeheartedly throughout the season. Who can forget the rousing pep rallies held each Friday and the blazing bonfire staged prior to the Ann Arbor game? This year's squad also saw two brother combinations prove valuable—Jack and Jerry Townley, and Dick and Jim Hinkle.

Yes, even though the 1952 football season was not the most successful of Viking campaigns, football at J.H.S. is still serving it's main objectives—to develop the boys physically and to promote a strong feeling of school spirit among the fans.

Bob Kiple slashes through the Traverse City defense. Other identifiable players are No. 35, George Hamilton and No. 19, Jim Hinkle.

THE GRIDIRON SEES

Coach Walterhouse used chiefly the two platoon system throughout the 1952 season. Standouts on the offensive team were Bob Mitchell, Don Muir, Bill Waller, Jerry and Jack Townley, and Bob Plaskett. Jerry Harkness, Bob Ford, Bob Kiple, Jack Sackreiter, Burt Jackson, and Jerry Breese were some of the reasons that the defensive team "clicked." Although the boys turned in but one victory, all their losses were not onesided. The South Side of Fort Wayne game was exciting to the very end and the hard fought Lansing Eastern game ended in a tie. The rivalry with Ann Arbor was also a well contested game, but Ann Arbor's all-state team just out-powered Jackson's. However, true to tradition, the Jackson and Ann Arbor teams, cheerleaders, parents, and faculties were honored at a banquet following the game as another football season came to an end.

PLENTY OF ACTION

Coach Dennis Kiley worked hard every night to get the reserve team in shape for its Thursday nite contests. Although the season was not successful in terms of victories, it did give the coaches a chance to get a good look at the fresh material for future years. Some of the players who looked promising are Brian Bell, James Ykimoff, Dick Dodge, and J. Neesley.

HILL AND DALE BOYS

Much interest this year has been centered around the cross-country team, who won the 5A league championship and came in 3rd in the state. Leading the runners were: Captain, Jerry Heiler; Mel Harris; Ronnie Maher; C. P. Adams; Ed Rogers; and Bill Eagan. At the sports assembly in December Coach Jensen presented the 5A Trophy to the school. It was in turn placed in our trophy cabinet so that the students could admire it. Most of the boys on the squad will be back next year so we are looking forward to a winning season and keeping the Trophy another year.

HARDCOURT HEROES

Jackson High School's basketball team began the season slowly but picked up speed and beat Ann Arbor, Ypsilanti and Wyandotte to capture the Class A regional title at Yost Field House in Ann Arbor. One of the most outstanding games of the season was the upset, 63-42, drubbing handed to the highly rated Kalamazoo team. Perhaps even more important was the victory over Ann Arbor in an exciting overtime game since this assured Jackson of a tie for third place in the Five A League. Even though the team lost to Dearborn Fordson in the quarter finals we know that the combination of team play, together with the spirit to win, changed a discouraging beginning into a great late season rush. Our hats are off to Mr. Ogden and the entire squad who gave everything they had to make this victorious ending possible.

The reserve basketball squad has a long-time winning tradition at Jackson High School and this year was no exception. Winning ten and losing five, the "Little Vikings" ran up the highest score in history by beating Bay City Handy 75 to 30. Defeating Ypsilanti 55 to 26, Dick Hinkle furnished 20 of the Jackson points and therefore tied Jack Mayo for scoring honor with 119 points. The team, made up of seven juniors and four sophomores, are looking forward to the coming year and another winning season.

MAT MEN

Roger Wilson and Kenyon Wood demonstrate a fundamental wrestling hold.

Although the wrestling team, coached by Mr. Bender, didn't have one of its best seasons, the wrestlers and their loyal fans had lots of spirit and we are sure they will have a winning team next year. Ken Sayles, John Washburn, and Ed Thompson were the most impressive wrestlers on the squad. The team beat Battle Creek twice and forced Ann Arbor to go all out to win. Jackson made a comeback and won fourth place in the state meet at East Lansing, which enabled them to finish the season in fine style.

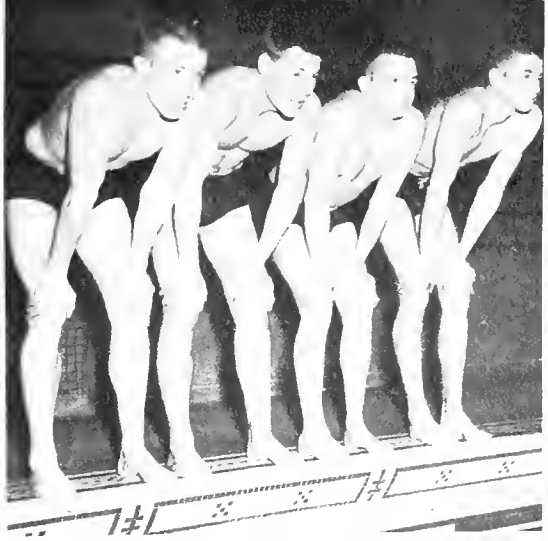
State Meet—Jackson 4th place

The "Michigan Pin" is being executed by John Logan and John Washburn. Ken Sayles and Chuck Keagle practice a "Cradle Hold."



Record-breaking breaststroker, Jim Thurlow, splashes his way to another victory.
The varsity relay team, Ben Kleinstiver, Dick Gentz, Bob Clark, and Jim Butterfield, poses at the starting block.
Dean Taylor and Roger Harmon watch as Don Nichols, their sophomore classmate who won the state title in the 100 yard backstroke, touches hard.

Jackson High School's swimming team coached by Mr. Cooley, with Jim Butterfield as captain was a championship calibre team. We have every reason to be proud of them and of the four new records which they established. The entire team worked hard and really deserved their trophies both for winning the Five A swimming meet at Albion and capturing second place at the State Meet in East Lansing. Jim Thurlow, a senior, was an outstanding performer and Don Nichols and Roger Harmon, Sophomores, show great promise for the coming season.

Creed

The Girl's Athletic Association, under the supervision of two advisers, is an organization with a purpose: To establish true sportswomen, girls who have courage, poise, self-control, and a love of fair play. Each girl is expected to keep training rules, to maintain good posture, and to have a creditable scholastic record. All this will make and preserve—the ideal American girl.

G. A. A.

CHEERLEADERS

VARSITY

School spirit, friendly personalities, and enthusiasm make the varsity cheerleaders fine representatives of our school at both the home and out-of-town games. With Barbara Hoch as captain, the varsity squad works smoothly as a team and do much to promote high spirits throughout the entire student body. This year new sweaters and culottes added to the attractive appearance of the girls and we should all be proud of the fine job they do in representing Jackson High School.

(l. to r.): Barbara Hoch, Capt., Joan Gibbs, Nancy Yeakey, Claudia Nichols, Ann Connin, Donna Smith.

(l. to r.): Carlene Galligan, Barbara Ware, Suzie Voss, Nan Furman, Capt.

The reserve cheerleaders are a peppy group of girls who cheer for the reserve football and basketball games. Under the direction of Miss Dunlap, these girls put in many hours practicing for the coming games and pep meetings. Although at the beginning of many of the games there are few spectators, the reserves are always on hand to give the reserve teams a good send off and to extend a welcome to the visiting teams.

RESERVES

TENNIS

With a perfect serve and a quick return a game is underway in the tennis tournament of the G.A.A. girls. Both twosomes and foursomes played in this tournament. For those who did not wish to participate in this there were set aside two courts in which they could either play a game or just bolley. Whether you were a champ or a beginner there is a place for you in G.A.A.

HOCKEY

The whistle blows, the count is given as through the sand screen you can make out the flashing hockey sticks and the small puck, which is heading toward the goal for a point. Two teams headed by Pat McClelland and Angeline Valdez battled each other to a victory won by Pat's team. This sport is exciting as well as fun to play. We wish that more people would join so we could have more teams.

BOWLING

"Strike"—a game is started as a perfect hit is scored by a G.A.A. girl in bowling. The manager, Shirley Bones, set up ten teams to take part in the tournament. Team I with Sue Hill, Lynn Oberliesen, and Marsha Matthews won this tournament by defeating every team but one. Marcia also was the highest bowler, followed by Shirley Bones and Norma Stebner.

VOLLEYBALL

A fast moving season of volleyball was played on Tuesday nights by the girls in G.A.A. Having set up a Round-Robin tournament, the girls chose these four captains—Mary Jacob, Pat McClelland, Jill Rogers, and Darlene Smith, who chose their respective teams. As the tournament came to an end, after many hard fought games, two teams were tied for first place—Pat's and Jill's. There was no playoff.

Back row (l. to r.): L. Clark, P. Chamberlin, E. Edwards, B. Bidwell, S. Hill, L. Clark, R. Reitnauer, J. Rogers.
Second row: C. French, J. Baker, P. McAndrews, K. Kniebes, D. Smith, B. McClelland, M. Filkins.

First row: J. Baker, Mgr., P. McAndrews, S. Hill, J. Konapacki, E. McPherson, E. Lewis, C. French.

BADMINTON

With the spinning of the racquet a flashing game of badminton is begun by the girls in G. A. A. This season we had a tournament, called "Ladder Badminton." The top three names on the "ladder" at the finish were—Pat Chamberlin, Ruth Reitnauer, and Betty Bidwell. Although competition was great, every girl's name was placed on the "ladder." On the same night an informal tournament was held.

BASKETBALL

The girls in G. A. A. had a tournament using four teams, having five players on each team. The team captains were Carol Bromley, Sue Hill, Edith Lewis, and Ruth Reitnauer. The winning team was Ruth Reitnauer's. Besides learning to play the game, we also learned the rules, so that now when we watch either boys' or girls' basketball we know more of what is happening.

Back row (l. to r.): O. Burns, S. Hill, M. Coates, D. Foster, P. Chamberlin, R. Reitnauer, E. Edwards, C. Bromley, B. Bidwell, L. Clark, L. Clark.

Front row (l. to r.): E. Lewis, J. Farris, B. Kent, N. Alexander, S. Hill, mgr., C. French, S. Taylor, J. Sackreiter.

DANCE

"Choose your partners . . . ," this phrase could be heard coming from the girl's gym on Wednesday nights after school. Here we learned, with the assistance of Mrs. Whiting and our manager Sue Hill, many different kinds of dances. Some of the dances were square dancing, South-American dances, round dances, and social dancing. Through dancing the girls in G.A.A., learn to be more graceful and light on their feet.

SWIMMING

Splash! The cool, refreshing water comes pouring over the heads of the girls in G.A.A., as they begin another night of diving and swimming. With Miss Dunlap, as our adviser, and Sue Hill, as our manager, we learned the different types of strokes. The girls who were more advanced in swimming had advice and help with their diving by Mr. Cooley.

High school years are happy years for most boys and girls. In addition to work and study, the many social activities, sports events, and the thrill of graduation account for pleasant memories that last all through life. But there's one person in this picture who is generally overlooked, and it isn't until the student starts to make his way in the world that he fully appreciates how much his teacher or instructors meant to him. School teachers are mighty important people. Teachers more than any other group have the greatest responsibility for building strong characters and molding the ideals of good citizenship among today's boys and girls . . . our leaders tomorrow.

Reddy Kilowatt, your electric servant, wishes you and your teachers every success in your future undertakings.

1953

. . . and, just as all good things must come to an end, so the curtain falls on our 1953 performance "Under the Big Top." The big canvas slowly collapses and, one by one, the clowns, strong men, trapeze artists, and animal trainers, climb on to the circus train. As the whistle blows the train picks up speed and the heavy, huge, black wheels of the train turn, making its way into a new world. Next year there will be a new and exciting show. A few of the old and familiar faces will be gone, but there will be new ones to take their places in this never-ending circle of life "under the Big Top."
